ii. Ministry of Electronics and Information Technology (MeitY) Notification No 1(10)/2017-CLES dated 02.07.2018

The Government has issued Public Procurement (Preference to Make in India) Order 2017 vide the Department for Promotion of Industry and Internal Trade (DPIIT) erstwhile Department of Policy Industrial and Promotion (DIPP) Notification No. P-45021/2/2017-B.E.-II dated 15.06.2017 and partially modified order no No.P-45021/2/2017-PP(BE-II) was issued on 28.05.2018 to encourage ‘Make in India’.

3. Definition of Cyber Security Product:

For the purpose of this Notification, Cyber Security Product means a product or appliance or software manufactured/produced for the purpose of protecting information, equipment, devices, computer, computer resource, communication device and information stored therein from unauthorized access, use, disclosure, disruption, modification or destruction, and also for the purpose of cyber forensics and cyber incident response. For definitions of aforementioned terms, Information Technology Act 2000 may be referred.

Indicative categories of cyber security products are given in Annexure I.
4. Definition of ‘local supplier’ of domestically manufactured/ produced Cyber Security Products

4.1 For the purpose of this Notification, the ‘local supplier’ is defined as follows:

(A) A company incorporated and registered in India as governed by the applicable Act (Companies Act, LLP Act, Partnership Act etc.) or startup that meet the definition as prescribed by DPIIT, Ministry of Commerce and Industry Government of India under the notification G.S.R. 364 (E) dated 11th April 2018 and recognized under Startup India initiative of DPIIT. DPIIT has since revised the definition of startup vide G.S.R 127(E) dated 19th February 2019 which is applicable in this notification.

AND

(B) Revenue from the product(s) in the India and revenue from Intellectual Property (IP) licensing shall accrue to the aforesaid company/Startup in India. The entity claiming benefits under the Public Procurement Order 2017 in addition to being an Indian registered/ incorporated entity, and supplying products should satisfy the conditions of IP ownership as under:

(B)(i) Domestically manufactured/produced Cyber Security product means a product, whose intellectual property is owned by the Indian Company/Startup (as defined above) such that it has rights to:

(a) Use and commercialize without third party consents; and
(b) Distribute; and
(c) Modify

(B)(ii) Products with multiple sub-components can be covered under this notification. The minimum local content of cyber security product shall ordinarily be 60% of total cost of the product. Total licensing/royalty fee paid by the manufacturer to third party for such product shall not exceed 20% of the total cost of the product.

(B)(iii) The Indian Company/Startup shall demonstrate ownership of intellectual property associated with the product, in addition to trademarks applicable, if any. IP ownership rights would need to be substantiated by adequate proof, such as

(a) adequate documentation evidencing ownership OR (b) IP registrations.
4.2 Exclusion:
(a) Resellers, Dealers, Distributors, implementation/support services agencies of products, who have limited rights to IP to enable transfer of rights to use, distribute and modify.
(b) Digital content is not considered a product e.g. audio, videos, e-books, computer based training platforms etc.

5. Definition of domestically developed/manufactured/produced Cyber Security product and Indian Company should be applied in conjunction with conditions 3 and 4 outlined above and read along with the aforesaid exclusion criteria, to suppliers of products to identify Indian Product Company/Startup.

6. Product List
In furtherance to this notification, the cyber security product companies are required to comply with the clause 3 and 4 of this notification and shall produce self-declaration as per the prescribed format given in Annexure II. Procurement agencies/bodies are responsible for technical evaluation of the security product(s) and its validation for compliance with this order. Furthermore, GeM will enlist the security products under the Head ‘Domestic Cyber security Products’ on the GeM Portal.

7. Verification of ‘local supplier’ of domestically manufactured/produced Cyber Security Products
a. The local supplier at the time of tender, bidding or solicitation shall provide self-declaration that the item offered meets the definition of ‘local supplier’ of domestically developed/manufactured/produced Cyber Security Products, as per para 4 above. Format of self-certification is available in Annexure II.

b. In cases of procurement for a value in excess of Rs. 10 crore, the local supplier shall provide a certificate from the statutory auditor or cost auditor of the company (in the case of companies) that the item offered meets the definition of ‘local supplier’ of domestically manufactured/produced Cyber Security Products, as per para 4 above.

c. In case a complaint is received by the procuring agency or the concerned Ministry/Department against the claim of a bidder regarding supply of domestically manufactured/produced Cyber Security Product, the same shall be referred to STQC, an attached office of MeitY.
d. In terms of clause 9(d) of PPP-MII Order order no No.P-45021/2/2017-PP(BE-II) was issued on 28.05.2018, the following committee is constituted with the mandate for independent verification of self-declarations and auditor's/accountant's certificates:

i. DG STQC Directorate -Chairperson
ii. Director CLES Group - Member
iii. Any other member(s) as co-opted by the chairperson - Member
iv. Director (Finance), MeitY - Member
v. Director, C-DAC - Member
vi. Director, STQC - Convener

e. The product company/organization shall provide product details and such other relevant information as may be required to STQC for investigation and analysis. The company shall provide information within one month after receiving communication from STQC.

f. In order to avoid frivolous complaint designed to overreach the preference given to local supplier, it is proposed to strengthen and make accountable the entire complaint process. Accordingly, a complaint fee of Rs.2 Lakh or 1% of the value of the domestically manufactured/produced Cyber Security Product being procured (subject to a maximum of Rs. 5 Lakh), whichever is higher, shall be paid by Demand Draft to be deposited with STQC. In case, the complaint is found to be incorrect, the complaint fee shall be forfeited. In case, the complaint is upheld and found to be substantially correct, deposited fee of the complainant would be refunded without any interest.

g. False declarations will be in breach of the Code of Integrity under Rule 175(1)(i)(h) of the General Financial Rules for which a bidder or its successors can be debarred for up to two years as per Rule 151 (iii) of the General Financial Rules along with such other actions as may be permissible under law.

8. In any procurement process, the procuring entity shall not specify any mandatory qualification criteria, any eligibility specifications or certification(s) issued by any foreign testing/security lab(s)/analyst reviews which restricts eligibility of Indian cyber security products as defined in this order.

9. The cyber security products notification shall also be applicable to the domestically developed/manufactured/produced cyber security products covered in turnkey/system integration projects. In such cases the preference to domestically developed/manufactured/produced cyber security products would be applicable only for the
value of cyber security product forming part of the turnkey/ system-integration projects and not on the value of the whole project.

10. In case of a doubt, whether an item being procured is a cyber security product to be covered under the Public Procurement (Preference to Make in India) Order 2019 for cyber security products, the matter would be referred to the Ministry of Electronics and Information Technology for clarification. For vetting the restrictive and discriminating terms and conditions against domestic manufactures of cyber security products, a committee is constituted with the following composition:

i. GC CLES Group, MeitY - Chairperson
ii. Rep R&D (CS), MeitY - Member
iii. Director, e-Gov Division, MeitY - Member
iv. Rep STQC - Member
v. Rep CERT-In - Member
vi. Rep DSCI - Member
vii. Rep CLES Group, MeitY - Member Convenor

12. The notification comes into effect immediately.
