2	How to use.....	iii

1. The IBR Website: Features

The website of the Indian Boilers Regulations consists of features like

- Listing of the regulations, Chapter wise
- Listing of regulations, Regulations wise
- Search
- List of Amendments
- Indian Boilers Regulations Act 1923

Apart from these brief write up has been provided under headings like:

- Foreword
- About Central Boilers Board
- Message from the chairman of the central Boilers Board.
- History of Indian Boilers Regulation.
- Directory of Offices

Link to the web page of Department of Industrial policy & promotion Hyperlink has also been provided for users of the site to switch over to DOIPP web page.

The introduction to the web page is by a short introduction made in Flash.

2. How to surf the site:

Step I : Open Internet Explorer on your computer.

Step II: Type “ <http://www.dipp.nic.in>” on the Internet Explorer address bar as shown below;

This will open the web page of the Ministry of Commerce & Industry, Deptt. Of Industrial Policy & promotion.

Step III: Locate the Indian Boiler Regulation - 1950 on this web Page & click.

This will take the user through a brief intro of IBR made in Flash. A user can skip this intro and directly go to the IBR home page if he so desires by clicking the icon “click here to enter”

Still Images from Flash introduction

At the end of the Flash introduction the web page shown below appears.

On clicking the link “click here to enter” the user is taken to the IBR Home page depicted overleaf

IBR –1950 Homepage

Five main links or buttons can be seen on the IBR home page.

- Clicking on the link Contents (Chapter wise) will take the user to the page consisting Listed 16 Chapters. One can browse through the regulations listed in these chapters by clicking on the link chapter I or as required.
- Clicking on the link Contents (Regulation wise) will take the user to the List of regulations in ascending order. A user can scroll through the regulations & see the regulation he requires by clicking on to the regulation.
- Clicking on the Search link enables the user to search a word or a regulation on this site only. After getting the search result he can open the page by clicking on the search result.
- Clicking on the link “ List of Amendments “ a user can see the notifications by Government stating amendments in Regulations.
- Clicking The last link “ Indian Boiler Act 1923” takes the user to the page bearing the various Acts under IBR 1923 as modified upto 1st July 1962
