

**GOVERNMENT OF INDIA
MINISTRY OF COMMERCE & INDUSTRY
DEPARTMENT FOR PROMOTION OF INDUSTRY AND INTERNAL TRADE**

LOK SABHA

**UNSTARRED QUESTION NO. 1451.
TO BE ANSWERED ON WEDNESDAY, THE 28TH JULY, 2021.**

PRODUCTION LINKED INCENTIVE

1451. SHRI MARGANI BHARAT:

Will the Minister of **COMMERCE AND INDUSTRY** be pleased to state:

वाणिज्य एवं उद्योग मंत्री

- (a) whether all the schemes under Production Linked Incentive(PLI) are ready and if so, the details thereof;
- (b) the details of domestic and foreign companies that have come forward under PLI scheme; and
- (c) the total investment that the Government is expecting to get and employment opportunities that it is going to generate under PLI?

ANSWER

वाणिज्य एवं उद्योग मंत्रालय में राज्य मंत्री (श्री सोम प्रकाश)

**THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE & INDUSTRY
(SHRI SOM PARKASH)**

- (a):** Keeping in view India's vision of becoming 'Atmanirbhar' and to enhance India's Manufacturing capabilities and Exports, an outlay of **INR 1.97 lakh crore** has been announced in **Union Budget 2021-22** for PLI schemes for 13 key sectors during the tenure of the PLI Schemes starting from fiscal year **(FY) 2021-22**. The PLI Scheme will help bring scale and size in key sectors and create and nurture global champions.

The 13 key sectors include already existing 3 sectors namely (i) Mobile Manufacturing and Specified Electronic Components, (ii) Critical Key Starting materials/Drug Intermediaries & Active Pharmaceutical Ingredients, (iii) Manufacturing of Medical Devices and 10 new key sectors which have been approved by the Union Cabinet in November 2020. These 10 key sectors are:

- (i) Automobiles and Auto Components, (ii) Pharmaceuticals Drugs, (iii) Specialty Steel, (iv) Telecom & Networking Products, (v) Electronic/Technology Products, (vi) White Goods (ACs and LEDs), (vii) Food

Products, (viii) Textile Products: MMF segment and technical textiles, (ix) High efficiency solar PV modules, and (x) Advanced Chemistry Cell (ACC) Battery.

Eight out of ten new PLI Schemes have been approved by the Union Cabinet namely: - (i) Electronic/Technology Products, (ii) Pharmaceuticals Drugs, (iii) Telecom & Networking Products, (iv) Food Products, (v) White Goods (ACs and LEDs), (vi) High-efficiency solar PV modules, (vii) Advanced Chemistry Cell (ACC) Battery, and (viii) Specialty Steel.

- (b):** The PLI schemes are being implemented by the concerned Ministries/ Departments. So far, total number of domestic/ foreign companies that have come forward under PLI Schemes of MeitY, D/o Pharmaceuticals, and D/o Telecom are 46, 40 and 36 respectively.
- (c):** The PLI Scheme envisages an average of 5 per cent of the production value as an incentive. Production targets are laid down, based on which financial incentives will be given to eligible companies. Since the application and selection process of beneficiaries under various PLI schemes is still underway, the details of exact investment and employment generated is not possible to capture at this stage.
